

CANTON PARKS & RECREATION DEPARTMENT

“Community Garden Program”

The following rules have been adopted to insure the orderly use of Town land. Please make every effort to follow them. Respect your neighbors and appreciate the fact that this land has been made available for your use; this is a privilege that should not be abused.

1. Plots are made available on a first come, first served basis. Only one plot per family will be allowed, unless excess plots are available. Requests for additional plots must be made with the original plot request, but payment for the additional plot(s) will not be due until approved. Plots will be ready for planting beginning April 7th, 2012. If there are any changes we will notify you.
2. Children are welcome in the garden but an **adult** must supervise garden plots at all times.
3. Gardeners shall maintain neat gardens. The vegetation you grow must be kept within the confines of your plot. You are responsible for clearing weeds from the walkpaths adjacent to your plot. Failure to comply with this rule may result in forfeiture of garden privileges for the following year.
4. Gardeners are responsible for full compliance with all state and federal agriculture laws. Only pesticides approved by the CT DEP Pesticide Compliance Division may be used in your garden. If you are unsure about a product you want to use, contact DEP. No poisonous or illegal plants may be grown, and no weed killers or systemic insecticides may be used.
5. No rocks, stones or bricks may be used in the garden. Please do not leave rocks or other large debris in the pathways or perimeter of the garden that the mowers will have to work around.
6. No alcoholic beverages may be consumed at the Community Gardens as they are on town property.
7. Produce grown may not be sold for profit at the Community Gardens.
8. No permanent fixtures (watering systems, etc.) and no sprinklers of any kind may be used on a garden plot. The plot renter, or an adult member of his or her family must be present when any watering is done. Irresponsible use (e.g. leaving faucets running, letting children play in it) will not be tolerated. Please do not leave water running unattended or on for extended periods of time.
9. Pets must be on a leash and attended at all times. No bicycles are allowed on garden walkways or plots.
- 10. Plots must be cleared of all metal, plastic and wood and removed from the site by October 30th, 2012. Failure to comply with this provision will result in forfeiture of gardening privileges for the following year. **The Town of Canton is not responsible for taking your trash to the Town Transfer Station.****

PLEASE READ, REMEMBER AND RETAIN THESE RULES!!!!!!!!!!!!
