

Dear Parent/ Guardian,

Welcome to Explorers Day Camp 2022! On behalf of our camp staff and the Town of Canton, we would like to extend a warm welcome and thank you for choosing Explorers Day Camp for your child's summer experience. We are very excited that your child is joining us for a fun filled season.

Explorers Day Camp has been designed to provide children ages 6-12 the opportunity to participate in a variety of activities while developing social skills with peers. We have trained staff members that are passionate about their jobs while ensuring a safe yet exciting atmosphere for children. Our camp runs for 9 weeks (June 20-August 19). Each week has its own theme, entertainers, and activities. For the summer of 2022, we will have weekly entertainers and will be having 2 field trips later in the summer.

The Parent Handbook has been created to provide you with more detailed information about our Explorers Day Camp and the rules and guidelines understood by our staff and parents/guardians. Included in this packet, you will find information on:

- Acknowledgment Page (Back Page)
- Explorer's Day Camp Operations
- Rules of Conduct and Policies/Procedures
- Pick-Up and Attendance in Other Programs

Please Note: As of 4/1/22, the CT DPH has not released safety guidelines for summer activities. Once posted, Canton Parks and Recreation will adopt the DPH policies for summer 2022. Please note, regulations and policies may change before and during the program. Participants will need to adhere to the current policies and any mid-season changes to continue with the program.

Should you have any questions, please don't hesitate to contact office staff at the Parks & Recreation Office (860) 693-5808, or e-mail Claire Boughton, our Recreation Coordinator, at: cboughton@townofcantonct.org.

Thank you in advance,

Communication

The best way to stay in contact with our staff and updates on the program is through the Remind Education Application! You can download this on your smartphone or access it on a computer (www.remind.com). Once you have created an account, you will need Explorer Day Camp's class code which is: [@expdaycamp](#).

This form of communication will have you in touch with all our staff and allow you to be informed of any updates such as pick-up and drop-off location changes and weather related location changes. You will also be able to be sent photos from camp and view schedule updates!

You may also contact the Recreation Coordinator, Claire Boughton, with any questions or comments by calling the Parks and Recreation Office at 860-693-5808, or e-mail at: cboughton@townofcantonct.org.

Rules and Policies

Rules of Conduct

The Rules of Conduct are our guidelines that are set and followed to ensure the safety of each child, staff member, and the safety of the group. These are put in place to protect the rights of both the individual and the group and to provide a positive atmosphere for growth in personal control and responsibility. These rules are to make sure:

1. Children's and staff's safety are always maintained.
2. Only appropriate and respectful language is used.
3. Mills Pond Park/Pool property, Canton Community Center Property and camp equipment is treated with respect.
4. All persons follow safety rules and/or directions from the staff.
5. A peaceful atmosphere is maintained.

At 9:15am every morning, Explorers Day Camp has a morning meetings to go over rules, safety policies and the scheduled activities for the day with campers (it is important to have your child arrive on time to camp for morning meeting and the activities that come after).

Redirecting Behavior & Camper Behavioral Forms

Individual children will receive guidance to redirect behavior. The handling of each situation depends on the developmental level of the child and the specifics of the incident.

Staff will make every effort to redirect the child's behavior. In order to achieve this, Explorers Day Camp has a three point system that will be in place. At point one; the child will be spoken to about his/her behavior and ways they can correct it. At point two; the child will be pulled aside again and asked what they think they did wrong and how to correct it. At point three; the child will be asked to sit out for five minutes from the activity they are doing. Removal of a child from the group for disciplinary or health reasons shall be to a location where visual staff supervision will be maintained. Then the child will have an opportunity to regain control and discuss the problem with a staff member. Any continued behavior after the third correctional point will result in a behavior form being filled out, which needs to be signed by the staff, parent/guardian, a supervisor and the Director of Canton Parks and Recreation.

When multiple behavior forms have been filled out for related behaviors (not relating in harassment, violence or threatening behavior), it may result in a one or more day suspension from Explorers Day Camp for that child.

If a child's behavior results in threatening another child and/or physical contact with another child, staff member or person- an automatic behavior form will be filled out and a suspension will be given, the length of which will be determined by the Parks and Recreation's Office Administration.

Discipline Policy

Staff shall not use abusive, neglectful, corporal, humiliating or frightening punishment under any circumstances. No child shall be physically restrained unless it is necessary to protect the safety and health of the child, or others.

1. Individuals will be asked to change inappropriate, disruptive or unsafe behavior.
2. Parents will be asked for their support in changing their child's behavior. Continued inappropriate, unchanged behavior may result in suspension or dismissal from the program. (Refer back to Rules of Conduct).
3. Parents will receive a written notice and be spoken with in person about the removal of their child from camp due to unchanged/inappropriate behavior with no refund.
4. Parents should feel free to consult with the Explorers Day Camp Supervisor or the Recreation Coordinator regarding their child's conduct. If necessary, they may also bring the matter to the attention of Director of Parks and Recreation for consultation.
5. All violations will be properly documented in the form of a written behavior report. The written behavior report will be reviewed with the parent/guardian and documented in Canton Parks and Recreation files and confidentiality will be maintained at all times.

Camp Group Assortment & Group Request Policy

Explorers Day Camp is split into 3 groups with a maximum of 20 campers per group for the entire week. There will be no more than 60 campers for Explorers Day Camp this summer. Because of the sizes of the groups, group requests will not be guaranteed this summer. Groups will be divided up by age/grade for the majority of the summer with the exception of the Color Wars and Shipwrecked weeks. If you would like to make a group request for your child(ren), please email cboughton@townofcantonct.org no later than 4:00pm on the Wednesday prior to the week your child is attending.

Field Trip and Parent(s) at Camp Policy

Parents are not allowed to attend Explorers Day Camp field trips or stay at camp locations for an extended period of time. This is due to the safety hazards it may present and distractions to

campers and staff. All town employees and volunteers are required to pass a background check and are trained to supervise all field trips.

Cell Phone Policy

Explorers Day Camp is a cell phone free camp. Campers are welcome to keep cell phones in their backpacks throughout the day, however cell phones will not be allowed out during camp hours unless it needs to be used for an emergency. Counselors are not responsible for campers personal items including cell phones and other electronics.

Arrival, Pick-Up and Other Program Information

Arrival

A supervisor will be present in front of the pavilion closest to the pool house to sign your child(ren) in. **You cannot drop your child off any time before 9:00am, even if you see staff in the area.** Staff use the time before camp starts to finalize plans for the day and gather materials needed for crafts and activities.
